

Elaine has been an instructor for several years in various art centers and schools in NJ and PA. She graduated from the Art institute of Philadelphia where she obtained a BA in Multimedia Arts & Animation.

As an independent artist and children's illustrator, Elaine has acquired many skills in both traditional and digital arts. Her love for visual arts drives her every day experiences as she thrives to learn more and shares with others the unconstrained possibilities of the art world through exhibits including:

Art Wars Philadelphia 2018 - Artwars Competition
